RE: Lacsamana, Joshua-Luke (minor) v. Hammock Beach Golf Resort & Spa
          D/A: 05/27/22

Dear Mrs. Arakelian:

Please be advised that the attorney for the Employer/Carrier has scheduled Joshua-Luke's deposition. He will not be required to appear in person for the deposition. I will be in attendance with him via Zoom. I have attached an informational sheet for a brief explanation of a deposition.

It is important for Joshua-Luke to have access to a cell phone and additionally, it is very important that you check your email 24-48 hours prior to the deposition for the Zoom information/link.

THE DATE AND TIME OF JOSHUA-LUKE LACSAMANA'S DEPOSITION IS:

Monday, November 21, 2022, at 3:30 PM

It is very important that Joshua-Luke's deposition be taken. If he does not attend this deposition, it may cause unnecessary delays in the course of his case.

Please contact my paralegal Bobbie Payne at bpayne@forthepeople.com to confirm that Joshua-Luke will be attending this deposition.

Thank you for your attention to this matter.

Very truly yours,

Kirk Perrow

WHAT IS A DEPOSITION?

A deposition is an opportunity for the opposing attorney to ask you questions about your case. It is a formal proceeding in an office or conference room where a court reporter records your answers and the other lawyer's questions. A deposition is taken on every claim. Since the opposing lawyer knows nothing about the facts of the case to start with, this information is discovered at the deposition. The meeting is usually friendly, and is almost always courteous and respectful.

- **Please arrive 15 minutes early to meet with your attorney.**
- Dress neatly and cleanly.
- Be polite and courteous.
- Tell the truth.
- Ask questions if you do not understand.
- Be short and specific in your answers.
- Do not exaggerate.

You will have the opportunity to meet with your attorney to discuss the deposition in further detail before the deposition occurs.
